Community Access Television of Silver

Community Access Television of Silver, Inc. is an independent, non-profit community organization. CATS is not an agent or affiliate of Comcast, Grant County or the Town of Silver City.

Membership Training Policy:

As a member of CATS, you are offered training on the production of programming. It is not CATS responsibility to produce programs. That is your responsibility as a member.

CATS will give you up to 4 hours of one-on-one training with a CATS employee, but after that time you will be required to produce your program on your own. We will always answer any questions you may have and assist you, but in the end the production must be done by the Member.

All programs are subject to review prior to airing to insure that there are no programming violations (i.e. commercialism or mature content requiring airing between the hours of 10 p.m. and 6 a.m.). Please be patient while the program is reviewed. When revisions are requested, please work with us in this process by conforming to CATS Programming Requirements.
